St. Paul Minnesota

Hello Softball World,

Some of you may or may not know, but we lost one of our own this past weekend. Whether you knew him or not, Jason was one of the great guys in the game of fastpitch. He was taken from us too early, having just turned 29 on the 5th of August. He was a good infielder and a great teammate who had aspirations of playing ISC level ball this coming year while being instrumental in keeping the St. Paul Pirates, 2007 NAFA A National Champions, alive and well. Jason we will miss your genuineness, kindness, and those big smiles. It was an honor to be your teammate, and I know that everybody that has met you and played with you echo the same sentiments.
