

MICKSBURG TWINS WIN "A" FINAL

Micksburg Pee Wee Twins traveled to Cobourg as a warm up tournament to the Eastern Canadian eliminations. After a disappointing start to the tournament or should we say lack of start as the tournament was put on hold for the whole day Saturday due to the rain; the Micksburg twins were ready to compete Sunday and compete they did. First game they played against Norwood, score 11-0 for the Twins, the bats were on fire for Micksburg. Next game against Stouffville who was ranked #1 this season, was won by the Twins 10-2. Third game Micksburg came up against a familiar rivalry team Napanee which came down to a nail biting game with the end result of a tie 4-4. Micksburg advanced to the A final game after their undefeated round robin. The Micksburg Twins ended the day by playing the Pickering Heat winning the tournament with the score of 9-2. The team played very well and demonstrated great sportsmanship.

These young athletes would like to thank their sponsors and coaching staff for allowing them to compete and play such a great sport. The Micksburg Twins are now headed to Stratford this coming weekend to play in the Eastern Canadian Eliminations. GOOD LUCK TWINS!!
