Welcome

On behalf of the Ontario Amateur Softball Association executive I would like to welcome you to this years Elimination Tournament.

Some great ball games will be played this weekend, so sit back, cheer on your team and enjoy the facilities and the area you are in.

I would like to thank all of our hosts this year. The commitment they have shown has helped you compete in the game you enjoy so much.

To the directors and convenors, thank you for being here this weekend. Your commitment is what makes the OASA what it is today.

Thank you to the umpires. Without you this tournament would not come together.

So once again enjoy the weekend and cheer on all the teams.

Yours In Softball

Larry Sherwin  
OASA President

KW Cubs Tribute  
Bernie Daly  
1952 - 2009

Earlier this year the fastball community lost a great friend

Bernie was a tireless and dedicated volunteer whose leadership enabled our community to rise to the top of the fastball world. Bernie was a leader who helped to bring to KW national championships, and ISC World Tournaments. He will be remembered for his diligence in accounting, for his understanding of organizational structure, for his professional approach to problems and most of all for his happy and cheerful personality.

Bernie is missed

Devoted New Dundee community member Doug Fischer passed away on Sunday, December 21, 2008.

Doug was an avid athlete in his youth, excelling in fastball and hockey. At age 20, his life was changed by cancer, which ultimately resulted in vision loss. He redirected his skill and talents by coaching numerous teams in the New Dundee Minor Ball system.

In 2008 Doug received the Gil Read Coaches Honour Roll award from the Ontario Amateur Softball Association. For the past 10 years Doug's dream was to build a new fastball complex in New Dundee.

With recent government funding and community support, Doug's dream will become a reality, and teams will take the field in 2011.

Optimist Club of New Dundee  
*Friends of Youth*

Welcome to Hillside Park for the 2009 OASA Senior & Intermediate Men's Fastball Championship

There are two divisions in this tournament. The senior division includes the Kitchener Hallman Rivershark Twins, the First Ontario Jarvis Gamblers, the St Thomas Evergreen Centennials and the Owen Sound Verge Selects

Kitchener and Jarvis have to be the favourites. Their rosters are filled with Team Canada players just back from the ISF World Championships in Saskatoon. St Thomas has been very strong this season and have done very well in some tournaments against the two favoured teams. Owen Sound is back in senior fastball for the first time in several years.

The winner will represent Ontario as provincial champion at the national championships being held in St Thomas Aug 30th to Sept 6th.

The intermediate division features 10 teams. These teams will be playing not only for the OASA championships but the winner will be awarded a berth in the ISC II Tournament of Champions in Midland Michigan next summer, and will also qualify for the Eastern Canadian Men's Championships to be played later this summer.

Enjoy the fastball this weekend.

Brad Thomson  
Tournament Chair

The opening ceremonies for the tournament will be held on **Saturday morning at 10:45**, just before the first game of the Senior championships on the upper diamond at Hillside Park.

On Saturday evening, just before the 7 pm game on Hillside Upper, the players who represented Canada at the ISF World Championships in Saskatoon will be introduced to the local fastball fans.

### KW Junior and Minor Fastball

This summer local teams have done very well in OASA play

The Hallman Juniors were second in the OASA Junior Eliminations in Mitchell earlier in July and are in the Canadian Junior Fastball Championships in Owen Sound next week..

The Hallman Midgets hosted the OASA Midget Eliminations in June and won a berth in the Eastern Canadians Midget Championships later in August in Quebec

The KW Kolts. PeeWee team won the OASA title in Stratford and are off to St John's Newfoundland for the Canadian Pee Wee Championships.
