

2011 Great Lakes Championship

On behalf of the Ontario Amateur Softball Association I would like to welcome all the teams, players and coaches to the OASA Great Lakes Championship and Senior Men's Elimination Tournament. Many of the veteran players in this tournament are involved in fastball and continue to promote the game in their communities. Because of their commitment to the game, fastball continues to flourish in towns throughout Ontario.

The teams entered in the OASA Senior Elimination Tournament will represent Ontario at the Softball Canada Senior Men's Championships to be held in Owen Sound August 28 to September 4, 2011.

The Great Lakes Championship brings the top Intermediate Men's teams in the province together. The top finishing teams will be eligible to play in the Softball Canada Senior Men's Championship in Owen Sound in the Senior B Division with other teams throughout Canada. We have also continued our partnership with the ISC. The ISC has provided a berth to the 2012 ISC World Championship to the highest finishing eligible team.

New Dundee is the host site of the 2011 OASA Great Lakes Championship and Senior Men's Elimination Tournament. The OASA welcomes New Dundee and their new park as hosts of this event. The experienced tournament committee headed by Brad Thomson and tournament convenor Roy Patenaude will ensure a well organized event. A highly qualified umpiring crew will provide the officiating necessary for a successful tournament.

The OASA would like to remind all participants of the OASA Annual General Meeting to be held at the Holiday Inn in Markham on Saturday November 19, 2011 beginning at 12:30pm. Nominations are also being received for coach of the year and league of the year. Please go to the OASA website www.oasa.ca for nomination forms

Good luck to all the teams competing this week-end. May all the players display sportsmanship and enjoy the competition, and camaraderie of this tournament.

The Ontario Amateur Softball Association would like to thank New Dundee, the tournament committee and the teams for your continued support of OASA tournaments.

Gary Wren
OASA President
