2011 "AA" PLAYOFF FILL-IN

WE DON'T JUST GENERATE ELECTRICITY WE GENERATE COMMUNITY ENERGY

Ontario Power Generation produces about 60 per cent of Ontario's power. But we don't just generate electricity. We support many community projects, from environmental initiatives and science fairs to local sports teams and events, including this year's **World Senior Men's Fastball Tournament**. Because while we're committed to powering Ontario, we're just as committed to making our communities even better places to play and work.

CTS Computer Products Corporation

CTS Computer Products Corporation has been providing computer sales, service and support to the North Bay region for 27 years offering a one phone number service to answer any IT request from purchasing of computers and consumables through to high-level professional services such as project management or server virtualization.

We can provide the complete IT service for small to medium sized businesses and for larger organization we are also focused on staff augmentation, where we supplement your own IT staff to assist you in accomplishing that outstanding project, the one that is going to make life so much easier but hasn't been started due to day-to-day firefighting.

Our business is addressing your IT needs, freeing you up to do your business.
