

John MacTavish "Field of Dreams" Underway

Friday May 18, 2012 - On behalf of Cathy and the family and friends of John MacTavish, thanks to those who made donations in his memory to **Camp McGovern**. Good news!! - Construction of the "**John MacTavish Field of Dreams**" is proceeding ahead of schedule.

PHASE #1 - On Monday May 14, Ray Kipfer (left) of Camp McGovern, and Trevor Sills of Sills Excavating, were plotting the location of the "**John MacTavish Field of Dreams**". They're standing in right centre field. Topsoil will be stripped by this weekend, the site will be allowed to settle and the grass to grow over the summer and the ball diamond will be installed for the camp for the next summer season.

DEDICATION - Plans are underway to host a dedication of the facility in the spring/early summer of 2013, and you will certainly be among the first to be invited to attend and participate.

INCOME TAX RECEIPT for your much appreciated donation is enclosed, with thanks.

DONOR RECOGNITION - Attached is a draft list of the donors for appropriate recognition for the "**John MacTavish Field of Dreams**". Where possible, I tried to include the name of the donor and spouse, as appropriate. If there are errors, or requested revisions, please contact me prior to our posting the list on one or two appropriate websites and/or if you wish your donation to be listed as "anonymous". If you have questions, please don't hesitate to ask.
