Huemul Mata Carabajal is considered by some to be the best player of his age in the world as he hit over .400 and was the gold medal winning team's best pitcher in the playoff round.

ISA New Zealand The International Softball Academy was formed in 2007 to host international tours for softball players to expose players to elite softball and elite coaching through tours and academy programs. It has hosted New Zealand selections: 2009 (2 teams including Canada)

2010 (2 teams), 2011 (3 Teams), 2012 (4 teams, including USA) 2013 (5 teams including Canada)

Our mission is to:

Promote the sport of Softball and the development of Softball Players and coaches through training camps and international tours.

To promote the development of Youth Softball Players

To promote a friendly exchange and understanding among softball players from different countries and regions as a cultural experience.

Canadian Athletes - One thing that makes this event different from most high caliber event is that this will feature provincial teams. There are a few exceptions made as provinces and NWT can choose from players from another province after their teams have been announced to fill in a lineup. I.e. two Saskatoon Jr Diamondback players are playing with NWT Dylan Klassen and Kynan Tarnowski

These 15 athletes who will be here for the U21 International and were chosen to represent Canada at the ISF IX Junior Men's World Championship from November 1-10 in Parana, Argentina:

Brad Peck (Surrey, BC)

Cody Anthony (Shubenacadie, NS) **pitcher**

Aiden Patrick (Prince Albert, SK)

Brett Young (Taymouth, NB)

EVENT HISTORY

In this country, men's softball has produced three ISF World Championship teams and has been an important part of the national sports scene. Although it may be in its final year of existence, the U21 Men's International Softball Championship plays an important role in the development of men's softball in Canada. This event is the only male softball event in which players can aspire to be part of true provincial team. The ability to compete with the best players in your province for a spot on your provincial team and then to play against the best U21 men's team in the world in a prestigious event such as this one gives male softball players in this country one more thing to aspire to. It will be important for their future as they are one step from the national team level and are more likely to aspire to work harder to take that next step. At this time, it is the only opportunity to form a men's provincial team. This program is critical in providing a National/ International caliber event to better prepare the athletes for possible future National Team invites, and to maintain Canada's place in the upper echelon of men's softball in the world.

Softball had been included in the Canada Summer Games since the inaugural event held in Halifax/Dartmouth in 1969 when it was a mixed sport (male and female). Starting in 1981, the sport

was split into a male and a female category. Ontario dominated men's softball in the Canada Games winning 6 gold medals. Nova Scotia won gold in 1981 and Saskatchewan won the event in 1993. During the time men's softball was a part of the Canada Summer Games, Canada's men were a force to be reckoned with on the world stage, winning 9 medals and advancing to eight world championship finals. However, in spite of the international success, in 2005 men's softball was removed as a particular emphasis towards Olympic sports pushed it aside. Since that time, Softball Canada and all Provincial/Territorial Softball Governing Bodies have worked hard to find a replacement event for the Canada Games, so the boy's would not have to skip even one games cycle. They created the Men's International Softball Championships for 2009 to provide a competition for the male U19 and now U21 classifications to replace the Canada Games Program.

The pilot was held in July of 2009. Softball Prince Edward Island and the city of Charlottetown hosted teams from 11 Canadian Provinces and 3 teams from out of our country to a very successful event. All games were action packed and the fans from across Canada have a very memorable time with the PEI hospitality .

U19 International Men's - Ontario wins Gold!

(Charlottetown, PEI) – Ontario defeated Saskatchewan twice on the final day of competition as they claimed the Gold medal of the U19 International Men's Softball Championship. After beating Saskatchewan 3-2 this morning to earn a direct berth in the Championship game, Ontario repeated that feat again with a 5-1 win to take the Gold.

Ontario 3, Saskatchewan 2

With a direct berth to the Championship game on the line, Ontario jumped to a 3-0 lead before Saskatchewan scored two runs in the bottom of the third to cut the lead to one, but Ontario pitcher Brendan Roach shut the door in the final three innings, allowing only three hits with five strikeouts. Dan Mitchell and Robert Kay each had a hit and a run batted in for Ontario, who only managed five hits off Saskatchewan pitcher Devon McCullough. Kalyn Robinson paced Saskatchewan at the plate with three hits and an RBI. McCullough took the complete-game loss, allowing three runs on five hits with six strikeouts.

Nova Scotia 9, New Zealand 4

Nova Scotia woke up late in the game to power past New Zealand, eliminating the kiwis from the tournament. After New Zealand took a quick 2-0 lead in the bottom of the first, Nova Scotia scored two runs in each of the third and fourth innings, added one run in the fifth and sixth, and rounded out their scoring with three runs in the seventh to preserve the win. Aaron Long was the big contributor for NS, going four-for-four with four runs batted in and two runs scored. Patrick Avery also contributed with two hits, an RBI and a run scored, while Darcy and Ryan Gillis, and Tyler Whynot each added a hit. Josh Gettins went three-

for-four with an RBI and two runs for NZ, while Joshua Harrow added two hits and three runs batted in. Patrick Avery earned the win in the pitcher's circle, allowing four runs on seven hits with eight strikeouts.

Saskatchewan 8, Nova Scotia 2,

Saskatchewan earned a rematch with Ontario in the Championship game by defeating Nova Scotia. Saskatchewan jumped to an early 4-0 lead, and after Nova Scotia came back with two runs, they scored a run in the fourth and three in the fifth to cap off the scoring. Devon McCullough shut the NS offence down in the three final innings, allowing only one hit while he picked up five strikeouts. Kalyn Robinson was three-for-three with a run batted in and two runs scored for Saskatchewan, while McCullough, Derek Arsenie, Matt Karpinka and Kyle Laird all drove in a run. Trent MacDonald and Tyler Whynot each went two-for-two for Nova Scotia, while Ryan Gillis added a hit and an RBI.

Ontario 5, Saskatchewan 1

Ontario claimed the Gold medal by scoring two runs in the first and adding single runs in the third, fourth and fifth innings to defeat Saskatchewan, who were playing their third game of the day. Brendan Roach earned the complete-game win for Ontario, allowing only one run on six hits to go along with three strikeouts. Devon McCullough, pitching in his third game of the day, was tagged with the complete-game loss, allowing five runs on eight hits with three strikeouts as well. Ian Wallwork had a hit and two runs batted in for Ontario, while Dan Mitchell, Robert Kay, and Adam Alexander each added a hit and an RBI. Kalyn Robinson had two hits for Saskatchewan.
