

### BRINGING BACK SOME OF THAT OLD SCHOOL RAZZLE DAZZLE

At **theswitchMONEYBALL** we want to have as much fun and action *off* the field as on the field and harness the potential from within all of us to deliver a cracker of a weekend!

Just some of the ways we are going to do this:

- **“The Beach”** will be the social melting point of the weekend. Think sand. Think umbrellas. Think fun in the famous Queensland sun. **“The Beach”** will be *the* place to share with others stories of your individual brilliance on the diamond!
- By having competitive beverage prices to quench that hard earned thirst. Additionally, we will have a large screen and promotions throughout the entire Bathurst race!
- At designated times between games throughout the weekend, the **\$1000 Plus Fitness 24/7 Windsor Home Run Contest** will be fought putting the longest hitters of both Open Men’s and Masters verses each other for the ultimate individual accolade. Will you be chosen to represent your team??? With \$1000 to the outright winner - swing hard boys!
- Juniors will be looked after with free daily coaching clinics as well as the opportunities to mix with some of the world’s best players
- There will be commentary and block rocking beats played by none other than the master of rock, the true pro behind the decks, DJ Dave Horne
- We aim to complete the package with some real tasty and healthy food options at the ballpark.
