TOURNAMENT EVENT

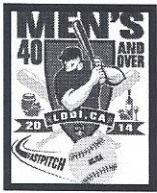

Many times while the “boys” are out playing softball and getting ready for the big tournament, the wives are left out. Well, we have thought of a way to include them while enjoying the pristine town of Lodi, CA., grape & wine capital of the San Joaquin Valley.

While the managers meet at Lodi Lake for their pre-tournament luncheon, we will be loading the vans and taking the wives and other guests to downtown Lodi where there are 12 wine tasting places and many shops and stores for you to enjoy. This trip is free and is open to anyone having to do with the tournament. For more information, go to our web site and read all about it; www.gsjsa.net.

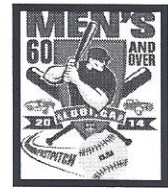

Must be 21 to Participate.
