## Shooters Restaurant & Lounge Fastpitch League

### 2014 Schedule

**Overview:** Formed from the Tri-County Fastpitch League the Shooters Restaurant & Lounge Fastpitch League (SFL) is comprised of 8 teams over 4 counties in Nova Scotia. The league is tailored for competitive fastpitch and looks to provide a place for Midget, Junior, and Men's age groups to compete before participating in Provincial, Eastern Canadian, National, or ISC Championships. The league has some of Atlantic Canada's top fastpitch talent including Pitcher Justin Schofield (White Rock) and Tyler Whynot (White Rock) who are in Team Canada's athlete pool for the Pan American Games in 2015. Many other players still play competitively at the Senior level or have been members of past Canada Games teams. This year will see the league welcome two Midget aged teams and the Brookfield Elks will travel to Gander, NL for the National Championship.

To accommodate the various needs of the teams playing in the league, the schedule is unbalanced allowing teams preparing to play at a high level more games to ready themselves. League standings are based on winning % rather than a point system. Last year's Tri-County League saw the Carl Anthony Trucking (Charros) beat the Murphy's Fish and Chip Eagles in a best of 3 series 2 games to 1 to become inaugural league champions.
