The International Softball Congress is extremely pleased to be making our first visit to South Bend and would like to thank South Bend Parks & Recreation Department Executive Director Phillip St. Clair and his outstanding staff for making this possible.

South Bend has a long history of successful Men's National Championship tournaments and we are looking forward to 8 days of outstanding World Class men's Fastpitch Softball at the World Class Belleville Softball Complex.

The unique format of the International Softball Congress World Fastball Tournament will provide players, fans and officials with the opportunity to see 3 Championship Trophies awarded:

- ISC World Tournament
- ISC II Championship
- ISC Legends 50+ Championship

These are some of the ingredients, which make the ISC World Tournament the best showcase and "happening" in Men's Fastpitch Softball.

On behalf of the entire ISC Family of commissioners, specialist, umpires, and player representatives, I would like to extend a sincere "thank you" to the South Bend Parks and Recreation Department for their tireless work in an effort to provide the players and fans with another memorial event and experience.

To the teams, players and umpires, our congratulations on being a part of the 2015 ISC World Tournament. We wish each of you the very best of luck and sportsmanship during the tournament.

Sincerely,

Larry Fisher - Executive Director  
International Softball Congress

Welcome to all ISC players, coaches, and fans.

On behalf of the Board of Park Commissioners and staff of the South Bend Parks and Recreation Department, I welcome you to the Belleville Softball Complex. I believe you will find our facility to be one of the finest maintained and state of the art softball complexes in the country. Our Park's staff and local volunteers will provide you the opportunity to experience not only the best in fastball competition, but offer a well-organized and friendly environment for players and fans alike. Planning and executing a major event such as the International Softball Congress World Fastball Championships is only made possible by the dedication of those staff members and volunteers who work so hard insuring your experience is one that will always be favorable in South Bend. I would also like to thank our sponsors and other park friends for their generous support required of such a large event.

South Bend is no stranger to hosting some of the best softball played anywhere in the world. The Belleville Softball Complex has been the home to three U.S. Women's Olympic Games, 16 National Championships, 13 Midwest Regional Championships, and 28 State Championships since Park's conception in 1997. We are truly excited to host the 69<sup>th</sup> edition of the ISC World Fastball Tournament in South Bend and hope you will find many enjoyable times at the complex and throughout our city.

My congratulations to all the managers, coaches, players, and team sponsors who will be competing for the title as International Softball Congress World Champions!

Best of luck and may your stay in South Bend be a memorable one.

Sincerely,

Phil St. Clair  
Director  
South Bend Parks and Recreation Department

**Dear Tournament Participants,**

On behalf of my staff at Visit South Bend Mishawaka, it's truly my pleasure to welcome you to our community for the ISC World Fastball Tournament. South Bend is proud to host this event and to work with the International Softball Congress to ensure a successful and enjoyable week for the players, families and fans.

This is a community with a legitimate passion for sports. As home to the Notre Dame Fighting Irish, we get the opportunity to attend some of the finest NCAA Division I sports games and events throughout the year. We're also the proud home of the South Bend Cubs, Minor League Baseball Midwest League Single-A affiliate of the Chicago Cubs. As such, playing host to such a prestigious event like the ISC World Fastball Tournament is a natural fit.

While you're here I hope you have an opportunity to experience the community you will make as your temporary home. Visit our great selection of locally owned restaurants, check out the iconic Notre Dame campus, raft down first man-made urban waterway in the country at the East Race in downtown South Bend, shop in some of the best stores and malls in the region, and most importantly enjoy your stay!

Our 2015 visitors guide is a great resource to the best our area has to offer as is our website, [www.visitsouthbend.com](http://www.visitsouthbend.com). Good luck and thanks for visiting!

Hospitably,

Rob DeCleene, CDME

Executive Director

## CITY OF SOUTH BEND

PETE BUTTIGIEG, MAYOR

Office of the Mayor

Dear Friends,

Welcome to the 69th ISC World Tournament. We are honored that you have made the trip to South Bend and are pleased this event offers an opportunity to both compete in, and observe, the best fastball games in the world. This program includes information on some of the features and amenities our city has to offer.

Here in South Bend we're known as the home of the University of Notre Dame and its top-ranked Fighting Irish athletic teams. We're also proud of South Bend's culture and entertainment scene with our Morris Performing Arts Center hosting both the Broadway Theatre League and the South Bend Symphony Orchestra.

We also put an emphasis on utilizing South Bend's extensive walking and biking paths. South Bend is one of only a handful of communities in the United States to be awarded Bicycle Friendly Community status for our "remarkable commitments to bicycling."

I'd also be remiss if I didn't mention South Bend's East Race Waterway, the oldest man-made whitewater course in North America. The man-made channel produces a whitewater course with a force of about 500 cubic feet per second. The resulting rapids are suitable both for experienced kayakers and first-time rafters. On several occasions the flow has been increased to allow for training by U.S. Olympians.

Once again, I welcome you to South Bend and thank you for your participation in the ISC World Tournament.

Sincerely,

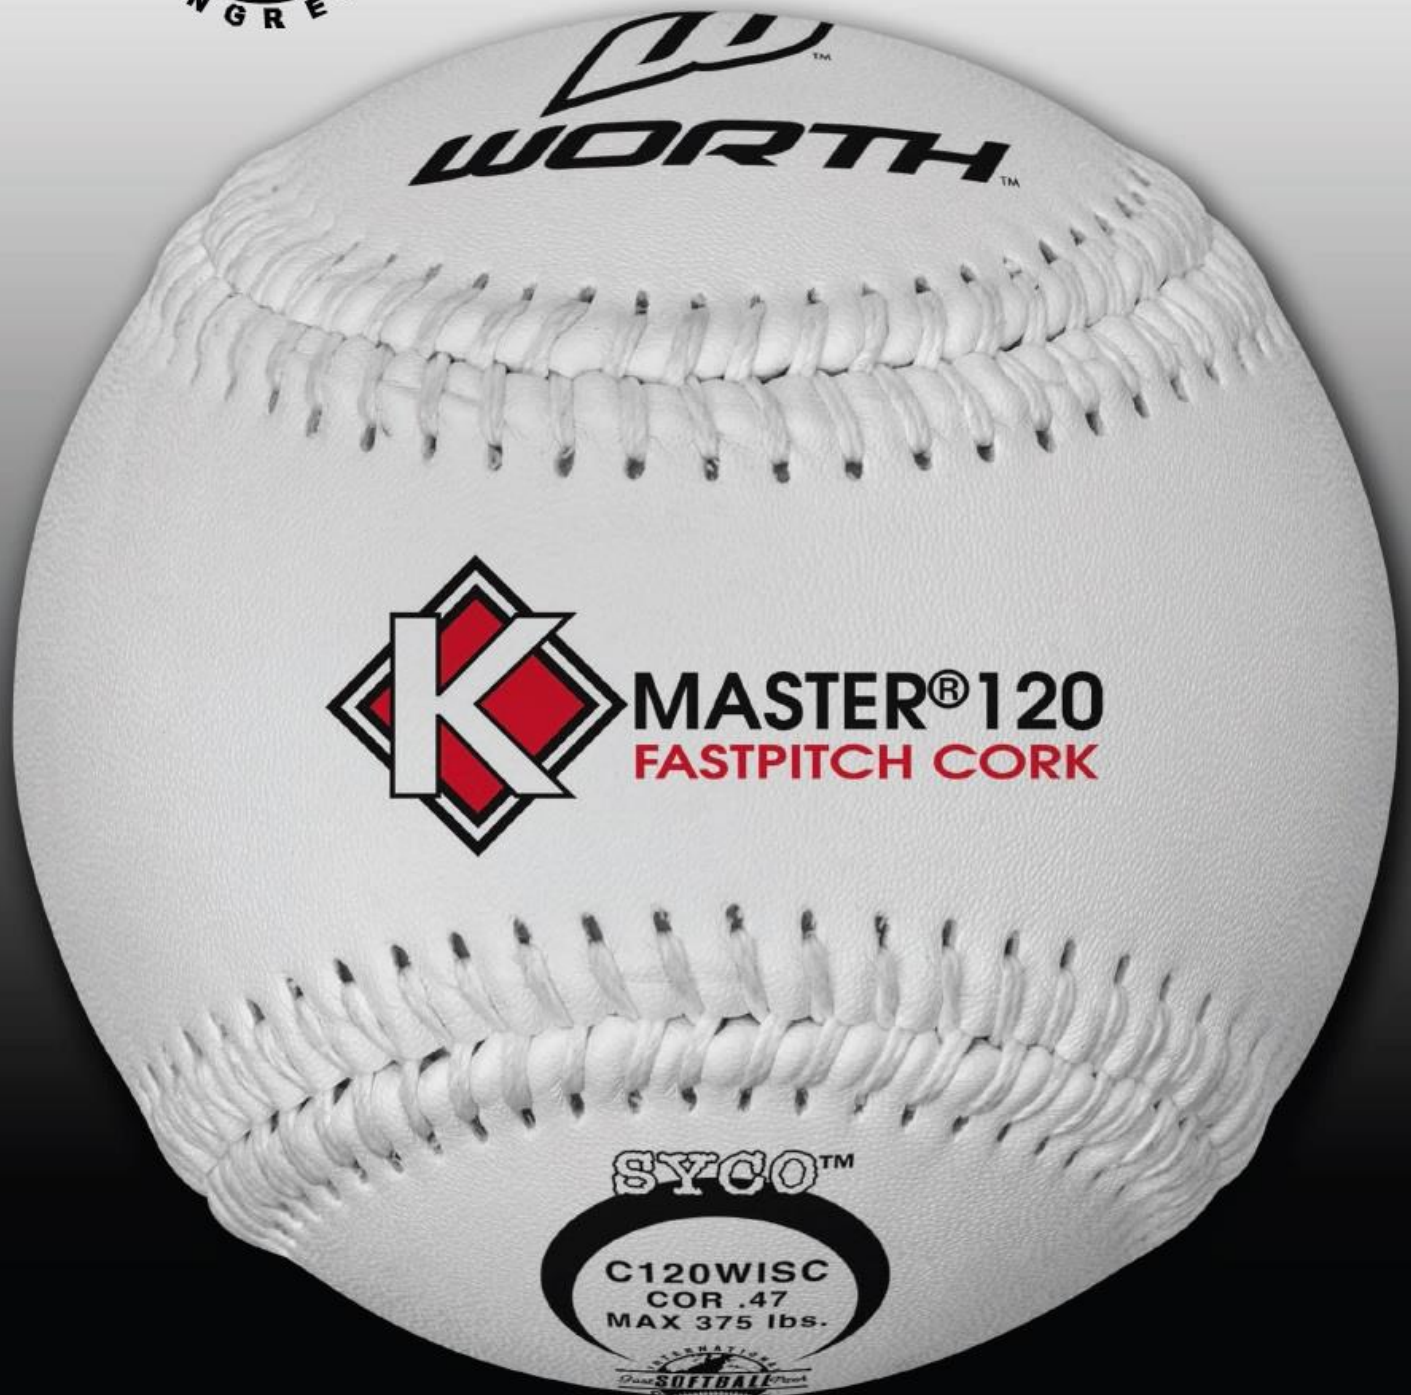

Pete Buttigieg  
Mayor

— 2015 —

The Belleville Softball Staff welcome this opportunity to host the Men's World Fastball Tournament at our "Field of Dreams". The Belleville Softball Complex features four (4) Musco® lighted state-of-the-art playing fields. In July 2007 we recently opened a fifth un-lighted playing field. All fields feature Toro® automatic irrigation systems in the lush, green outfield grass areas and hand operated irrigation systems for the professionally maintained infields. The four (4) original fields (in wagon wheel format) are covered with red, Pro's Choice Soilmaster®, while the fifth "satellite" field is covered by ag-lime ("moon dust").

It is our goal to make your stay in South Bend an enjoyable and memorable one. If you have any questions, comments, or concerns, please feel welcome to contact one of the knowledgeable staff members, which are listed below.

## About the South Bend Parks Foundation

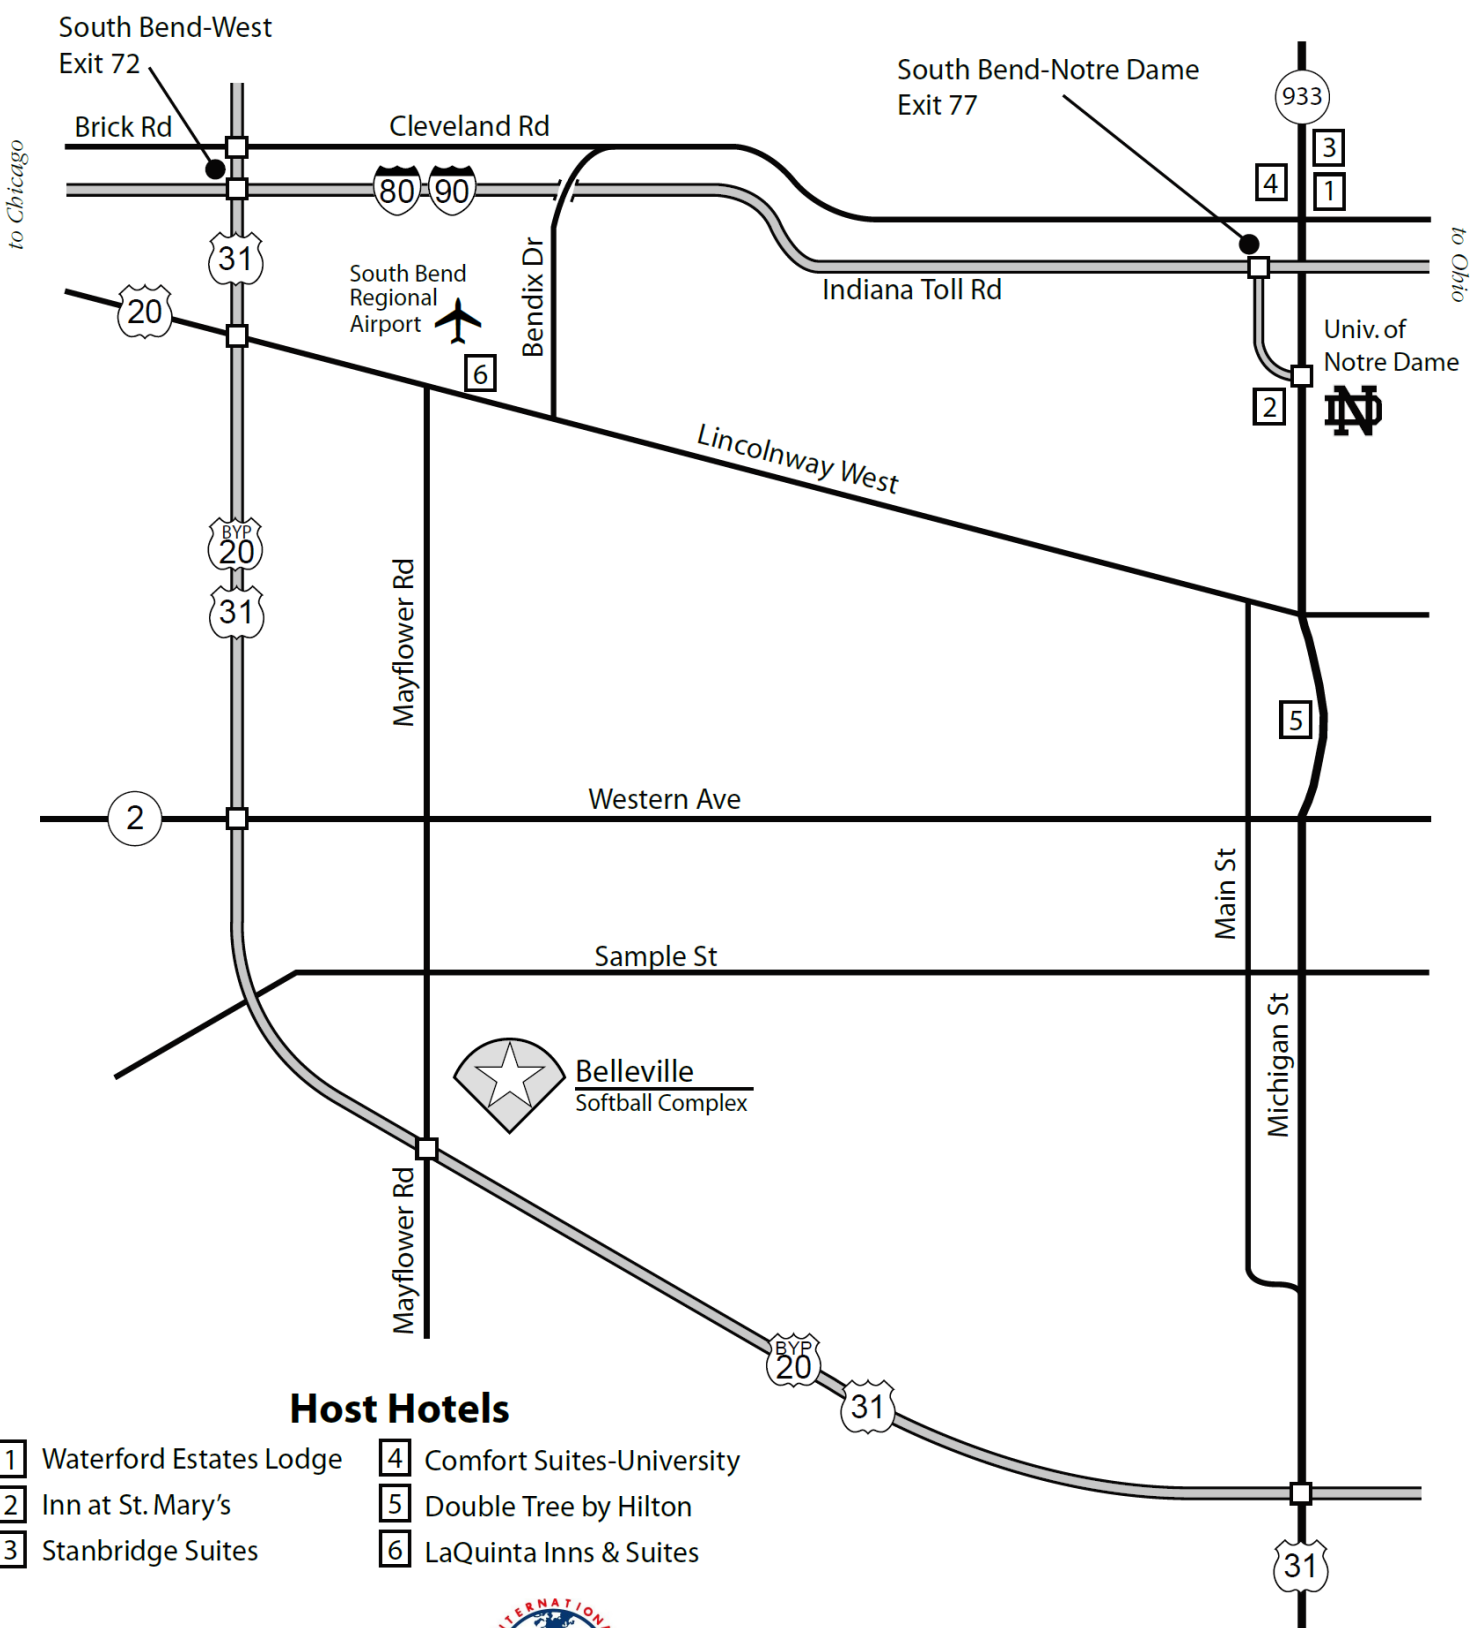

The South Bend Parks Foundation, Inc. is a registered 501(c)(3) not-for-profit organization. Contributions and/or donations from individuals or business entities are tax deductible according to IRS guidelines.

The South Bend Parks Foundation was created in December 2010 with its sole mission to "Provide resources to build community through people, parks and programs," in support of the South Bend Parks & Recreation. The Foundation was created to establish a community-led organization that will ensure that the long-term legacy of South Bend Parks & Recreation will forever remain an integral part of our community.

The Foundation was established through the vision of Mr. Phillip St. Clair, Executive Director of South Bend Parks & Recreation, and with the support of community leadership.

Organizationally, the Foundation is a unique entity, separate and unrelated to the City of South Bend, and only related to the city through the foundation's mission.
