The rain finally caught up to us as an early morning rain forced postponement of a number of games. The hard work of the grounds crew did get the diamonds ready, as games at BVI started 12:30 and games at Gordie Howe and hour later. The picture below shows a bit of the work that was done getting Glenn Reeve 4 ready to play for the U18's.

There were a lot of challenges in setting up a makeup plan for the U18's as there is only one more day of preliminary round play, but with the team's cooperation things did get figured out

History was made today at 12:30 and 7:30 with the **first ever U14 Boy's Canadian Softball Championship game** played between Ontario 1 Innerkip and Saskatchewan 3 Wadena and Opening Ceremonies.
