With a chance to become the first team to win 4 straight ISC titles, the Hill United Chiefs have drawn up a challenging slate of tournaments that will prepare them for the summit that is the ISC World Tournament. Throughout the summer, Hill United will face many of the teams that will challenge for the title in August. With all those teams looking to unseat them, the Chiefs know they will have to earn every win.

Hill United is looking forward to playing in St. Johns for the first time in late June. With the contributions from "The Rock" that have propelled the Chiefs on their ISC run, the team is thrilled to be able to give a little back to the home of several Chiefs. The team is also looking forward to playing live in front of many fans who have followed the team via Ustream throughout the years.

Hill United is also very pleased to continue their strategic partnership with Rawlings Canada and ILA Sports to be the official equipment and apparel supplier for 2016 and beyond. ILA Sports will be the official headquarters for Hill United apparel, located at 3201 Second Line, Hagersville, Ontario. Look for new items available this summer at the store and tournaments.
