THANK YOU TO THE HILL UNITED CHIEFS

The host committee would like to thank the Hill United Chiefs for hosting this ISC Qualifier tournament. Tournaments such as this only serve to solidify and help grow the great game of fastpitch softball. Players and fans alike will get to enjoy some of the best softball in the world.

OPENING CEREMONY RECOGNITION

During the opening ceremonies the committee will be recognizing Colin Abbott and his contribution to softball in Newfoundland and Labrador, Canada and the world. Colin is the first and only player from Newfoundland and Labrador to be elected into the International Softball Congress Hall of Fame. Colin was inducted into the Hall of Fame in 2015 in South Bend, Indiana.

THE BEST OF THE BLUE

Not only will the fans be treated to some of the best softball players in the world this weekend but they will also see some of the best umpires. Lou Davis (Umpire in Chief) and his crew have umpired in countless ISC and WBSC events. They have called games all over North America and Europe and we welcome them to this tournament and our beautiful province.

TRIBUTE TO BEAUMONT HAMEL

On July 1, 1916 waves of Allied soldiers began climbing out of their trenches to advance through a hail of enemy fire toward the German lines. It would be a tragic beginning to a costly battle where more than 57,000 Commonwealth soldiers would become casualties on the opening day of the fighting alone. The brave members of the Newfoundland Regiment who went into action near Beaumont-Hamel were hit especially hard, with only 68 of the more than 800 men who had taken part being able to answer the roll call the next morning. We will pay tribute to these men and their sacrifice which have allowed the freedoms that we enjoy today.

REMEMBERING OUR FANS

Newfoundland and Labrador boasts one of the best Senior Men's fastpitch leagues in Canada which has been in operation for 60 years. Not only have there been great players over that time period but there have also been some tremendous fans. This list is quite long and although we cannot name everybody, we would certainly like to remember all of them, especially 3 of these fans who have passed away recently. Nick Thistle (former league president), Gus Crotty (former league player) and Betty Sheppard were fixtures around Lions Park and endured all kinds of weather just to watch their favourite teams and game. We would like to remember them for their contribution to our great softball community.
