

## Oshawa Ontario

The OCDFL All Star game is in the books. The International team as expected performed at the highest level and played with their usual intensity wire to wire. A great night of fastball for the local community regardless of the outcome. Young players admiring the adults, seeking autographs, chasing down foul balls and enjoying staying up way past bed time. We are very fortunate to have hosted such a fine group of players and repeat that you meet the best people in fastball. Thanks to all our fans and players for putting on a great show.
